

GENERAL PARKING INFO

To provide a smooth parking experience for all involved, we ask that all participants follow the parking plan we've created. We are expecting around 7000 participants on race day, so it's important that everyone follows these directions to decrease congestion.

Please read the parking information closely prior to race day and follow the directions of the parking attendants on race day.

Five Things to Know!

1

We recommend that participants park in **specific lots** on UNC campus **based on the distance they are running**. See the next page for the assigned 4 Miler lots. These lots are also printed on the back of your bib.

2

Please **ride-share, carpool, bike, or walk** in effort to limit congestion. If you're getting dropped off, recommended drop off locations can be found on page 3.

3

If you are carpooling and there are participants in the car who are running different distances, **follow the parking instructions based on the driver's distance**.

4

All distances must **be parked by 6:30 AM** to avoid the UNC hospital shift change traffic.

5

Please follow our **driving directions** to avoid road closures on race day. We also recommend using Waze to be routed around the closures.

Make a plan before race morning about how you're getting to the race and where you intend to park!

4 MILER PARKING
